

# A class apart

Welcome aboard TajAir, India's leading luxury executive jet service. Taj Hotels Resorts and Palaces offers unmatched luxury and personalized service in the skies with TajAir. We take care of the little details in the air and on the ground to ensure that you have a memorable flight experience.

## Why TajAir

### Luxury in the Air

With TajAir, you travel in the lap of luxury.

- You have more than twice the space than any executive jet available for air charter in India. Originally designed for sixteen passengers, our Falcon 2000 aircraft have been customized to seat 8 passengers. The aircraft cabin is 6 feet 2 inches high, 7 feet 8 inches wide and 26 feet 2 inches long.
- For in-flight entertainment, you can watch a movie on an individual LCD screen or listen to music with a hi-fi head set. Other facilities include a satellite phone and a facsimile, so you can stay connected.
- You can select from 4 international cuisine options of special, vegetarian, religious and child & infant meals over a three-course meal. These meal options can be customized to suit your dietary preferences. For refreshments you have a choice of non-alcoholic beverages and gourmet coffees.
- The baggage hold has a capacity of 700 kg. Our Falcon 2000 aircraft allow in-flight access to the baggage hold area.

### Exclusivity on the Ground

TajAir is the only Indian air charter company to manage the passenger and baggage screening area at Chhatrapati Shivaji International Airport, Mumbai from an exclusive entrance for all non-scheduled and private operators.

Before boarding the aircraft you can relax at our exclusive airport lounge in Mumbai. Exclusivity, that means you can travel in total privacy and security.

Moreover, you can arrive just 30 minutes before departure for flights within India and 60 minutes before take-off for international flights.

We personally supervise your security, customs and immigration clearances. Your bags are stowed in the aircraft and retrieved by us, so you do not idle your time at the baggage carousel.

If you need a rent-a-car service, TajAir can arrange for it at Taj Hotel destinations.

## About TajAir

Established in 1903, [Taj Hotels, Resorts and Palaces](http://www.tajhotels.com) (www.tajhotels.com) is one of Asia's largest and finest groups of hotels. The Taj group has 56 hotels in 39 locations across India and 17 hotels in the Maldives, Mauritius, Seychelles, UK, USA, Bhutan, Sri Lanka, Africa and the Middle East.

The Taj is a part of the [Tata group](http://www.tata.com) (www.tata.com), one of India's largest business conglomerates with 91 companies in 40 countries spread across 6 continents. In 2003-04, the Tata group grossed revenues of \$14.25 billion, the equivalent of 2.6% of India's GDP.

[TajAir](http://www.tajaironline.com) (www.tajaironline.com) is registered with the Directorate General of Civil Aviation, India as a non-scheduled operator. It is the only Indian air charter company with a state-of-the-art hangar and an exclusive passenger lounge at the Chhatrapati Shivaji International Airport in Mumbai. TajAir welcomed aboard 2,903 passengers in 2004-05, notably industry captains, global C.E.O's, dignitaries and celebrities.

## Our Fleet

TajAir has a fleet of Falcon 2000 aircraft based in Mumbai, India. The Falcon 2000 is a wide body, twin-engine business jet manufactured by [Dassault Aviation](http://www.dassault-aviation.com/gb/home) (www.dassault-aviation.com/gb/home), the world leader in executive jets. Just 7 years old, TajAir flies India's youngest fleet of aircraft.

Our fleet has a no-accident history and periodically flies to the manufacturer's facility at Dassault Falcon Service, Paris for all 'major checks'. The aircraft engines are enrolled in the MSP Gold Program, a maintenance service program of Honeywell, the engine manufacturer. The TajAir fleet meets rigorous norms and standards specified by Dassault and local regulatory authorities.

## Our Network

TajAir flies all over the world! Our fleet of Falcon 2000 aircraft flies to any destination in India and overseas within a radius of five and a half flying hours. The aircraft flies longer distances with refueling stops.

In India, TajAir covers 114 destinations while commercial aircraft fly to 71 destinations. With as little as 4 hours' notice, TajAir flies to eleven destinations in India viz. Ahmedabad, Bangalore, Chennai, Cochin, Delhi, Hyderabad, Jaipur, Lucknow, Kolkata, Mumbai and Tiruvananthapuram. For other destinations in India and overseas, departure is subject to airport formalities and landing clearances.
